## **2 Metre counties Contest**

Participants in the Spring 2m counties contest which took place on Easter Monday should note that the closing date for receipt of logs is Wed 22nd May 2003. All logs must be e-mailed or post-marked by this date. Late entries will not be accepted.

The Contest Manager requests that you send your log as soon as possible so as to facilitate the timely preparation of the results. Your attention is drawn to Rule 8.2 of the counties contest, which requires a brief summary of the station location & equipment, final claimed score, names and callsign of ops and most importantly the section entered. Logs without this information are liable to be disqualified.

Logs should be checked for simple handwriting or typing mistakes which can lead to an unnecessary loss of points. Logs should be emailed to [contests@irts.ie](mailto:contests@irts.ie) or

ei2jc@hotmail.com.

Postal logs should be sent to IRTS Counties Contest, PO Box 462, Dublin 9 or Noel Walsh EI2JC at QTHR. Logs received by email will be acknowledged soon after receipt, Postal entrants requiring acknowledgement should enclose a stamped addressed envelope or postcard.

### **Dublin WAN Group**

The Dublin WAN group, which are part of Irishwan, the non-profit computer network group, are having a meeting for the Dublin South East Region. The meeting will take place upstairs in Goggins public house in Monkstown on Thursday the 8th of May at 8 p.m.

The meeting is to discuss the installation of a repeater on Dalkey hill which will provide wireless internet access to the areas of Bray, Shankhill, Dun Laoghaire, Monkstown, Killiney, Ballybrack and Sandyford etc. This will expand the current coverage in the South East of the city from parts of Dun Laoghaire and Donnybrook. The group encourages Radio Experimenters and SWL's in the area to attend.

The South East Dublin group are already in discussions with Dun Laoghaire Rathdown County council for access to their property on the hill.

The next monthly meeting of Dublin WAN will be on Saturday the 31st of May at 2 p.m. in the basement of the SPI Bar, 4 Eden Quay (Just off O'Connell Street.) Beginners to the areas of high speed data over radio are welcome. More details are available on the website at [www.dublinwan.org](http://www.dublinwan.org)

## **CW Field Day**

The lack of support for CW Field Day was discussed at the recent IRTS AGM and among the options to revive it was a suggestion to hold a centralised event where individuals and groups would come together in a relaxed atmosphere to enjoy the weekend.

That option is now being offered to anyone interested in participating in this years CW Field Day over the weekend of June 7th and 8th. Courtesy of Paddy Maher EI3AV, a site is being made available in Cloughjordan in North Tipperary. Expressions of interest should be sent to Contest Manager Noel Walsh EI2JC at contests@irts.ie or on 087-2375982 (office hours) or to Dave Moore EI4BZ as soon as possible.

This proposal is designed to give single operators, who would not normally have access to a group, a chance to participate in the Field Day. Existing groups are of course very welcome to travel and to operate independently.

The exact format will depend on the level of interest expressed but as its all happening in five weeks time, an early response would be appreciated. Non-operators who wish to travel to help with set-up etc. are also very welcome.
